ACCESS ADVANTAGE PROGRAM

Life insurance benefits are conveniently paid through an interest-bearing checking account. This gives your family or beneficiary the funds for immediate needs, without having to make important investment decisions during a stressful time.

LIVING BENEFIT

Should you be diagnosed as terminally ill with less than 12 months to live, you can request up to 75% of your group term life benefits to be paid while you are living. The benefit paid to your beneficiary after your death will then be reduced by the Living Benefit amount paid.

CONVERSION

If you leave your job for any reason, you may be able to convert your group life coverage to an individual life insurance policy. You must apply for coverage and pay the first month's premium for the individual life insurance policy within 31 days of the last day you were employed.
